

Geagte Ouers

“You only live once, but if you do it right, once is enough.” – Rhonda Hansome

Vanaf bestuurskant begeef ons ons selde op finansiële terrein, aangesien ons daarop fokus om te onderrig en geleenthede te skep. Ongeag ander opinies is die terugvoer vanaf hoërskole dat ons van die beste op akademiese, sport- en kultuurgebied is en ver bo die norm uitstyg.

Ons uitslae spreek duidelik van ons prestasies en die waarde van dit wat ons aanbied. ‘n Mens kan geen finansiële waarde hieraan heg nie, MAAR volgens inligting wat ons ontvang, is dit duidelik dat ons waarde vir geld bied.

Ons moet egter vanaf bestuurskant meld dat 85% van ons ouers hul finansiële verpligtinge nakom, 10% hou by die reëlings en SLEGS 5% hou hulle stokdoof en kom glad nie hul finansiële verantwoordelikhede na nie. Ongelukkig kry hierdie gesinne dieselfde diens en geleenthede – hoewel hul optrede ons in gevaar plaas.

Om skoolfooie te betaal, behoort ‘n kwessie van trots en beginsel te wees, want ons durf nooit ons kinders in gevaar stel nie. Gesinne wat uitdagings ervaar, maar by die reëlings hou en as ‘n saak van integriteit met ons saamwerk, stel werklik ‘n goeie voorbeeld. Om te sien dat ouers in die beste gastehuse tuisgaan, in weelderige restaurante eet en kleres met bekende handelsmerke dra, MAAR weet dat hulle nie hul finansiële verpligtinge nakom nie, laat ‘n wrang smaak in die mond.

Baie dankie aan alle ouers wie se skoolfooie op datum is – en diegene wat nie hieronder tel nie, moet net weet dat dit nooit te laat is om die regte ding te doen nie.

Dear Parents

“You only live once, but if you do it right, once is enough.” – Rhonda Hansome

From management side we seldom venture into the financial realm as we focus on the delivery of education and the creating of opportunities. Irrespective of opinions we have had feedback from high schools that our academic, sport and cultural fields are of the best offered and exceeds the norm.

Our results clearly show in our achievements and the value of what we offer. You cannot put a financial value on this BUT the information we receive clearly suggests that we are offering value for money.

However, we must state from the management side that 85% of our parents are fulfilling their financial obligations, 10% keep to arrangements and work with us BUT 5% ignore all and completely fail to honor their financial responsibilities. Unfortunately these families get the same service and opportunities - even though their actions put us at risk.

Paying your school fees should surely be a matter of pride and principle as the future of our children can never be put at risk. Families who experience challenges but honour arrangements and work with us as a matter of integrity, really set a good example. Seeing parents staying in the best guest houses, dining in upmarket restaurants, wearing “brand name” clothes seems fine BUT knowing they neglect their financial responsibilities leaves a bitter taste in the mouth.

Thank you to all our parents who keep their school fees up to date - for those not in good standing, it is never too late to do the right thing.

Sonskyngroete/ Sunshine greetings
